BiblioCommons Terms of Use

Last updated June 17, 2011

Innisfil Public Library has entered into an agreement with BiblioCommons to provide an online service that will make it easier to track your holds and renewals and find the titles you are looking for. In addition, you may also choose to use this service to share ratings and commentary about the titles you find at Innisfil Public Library, and to connect with other BiblioCommons users. When you use the pages in Innisfil Public Library's catalogue that say "Powered by BiblioCommons" in the lower left-hand corner of the screen, you are using what is referred to here as the "BiblioCommons Service" and these BiblioCommons Terms of Use apply. Your use of the BiblioCommons Service is subject to the BiblioCommons Terms of Use, and indicates that you accept these Terms of Use, which includes the BiblioCommons Privacy Statement; together they are the only documents that govern your relationship with BiblioCommons. You may not use the BiblioCommons Service if you do not accept the Terms of Use; please read them carefully.

Is this the only policy governing my use of the library's services?
